Residential Electrical Review:
The electrical load calcs show 140.32 amps for the residence, the proposed 125 amp buss with a 100 amp main breaker is not sufficient for the house.

Residential Solar Review:
Hello,

Your solar plans have been reviewed but not approved. Please provide the following information:

Residential Electrical Requirements – Reviewed by _____@fresno.gov

1. The electrical load calcs show 140.32 amps for the residence, the proposed 125 amp buss with a 100 amp main breaker is not sufficient for the house.

Please revise plans and resubmit thru our Accela Citizens Access (ACA) website with an addendum to this permit number. If you have any questions on how to resubmit your revisions, see our ACA tutorial video at _____.

Thank you.

Permit Issuance:
Auto issuing permit

Inspection:
Updated via script.
